Message from the Chair

Dear Colleagues:

I regret to inform you of the passing of long time American Academy of Sanitarians Diplomate George Nakamura of Sunnyvale, California. George was a decades long Diplomate (#537) and received the Academy's Davis Calvin Wagner Award in 2009.

For those privileged to have known or met George, one would immediately recognize his ease of demeanor, love of family, expertise in Environmental Health, commitment to public service and quick wit. I hope you will join me in honor of George Nakamura and in support of the Nakamura family. Details are pending.

Kind regards,

Brian
